NEW YEAR'S MESSAGE FROM WOMEN'S MINISTRIES LEADERS

VIDEO GREETING FROM EUDWM DIRECTORS

The Women's Ministry leaders of the Unions of the Inter-European Division send a message in their own languages. You will understand at least one!

In her message Dagmar Dorn, EUDWM Director, says: We are at the beginning of a new year. The past year has been so disturbing and painful. Now new challenges are ahead of us but also new chances. I would like to share a text with you: Jeremiah 1,19b "For I am with you, and I will take care of you. I, the LORD, have spoken!" God has promised to be with us in whatever circumstances we are. Let's claim that. I want to wish you courage and peace for this New Year. I want to wish you strength and love for the people you meet and for the people who are around you. Jesus asks us to be a light in this world.

So be there:

For the woman who needs comfort

For the child who needs safety,

For the elderly person who is lonely,

For the man who is grieving.

Let's be women of hope who share the confidence of a Jesus who is able to see us through and a Jesus who comes back to take us to the best reality ever.

Trust HIM fully in this coming year

May God bless you

A NEW BLOG IN FRENCH: garderquelebon

Keep only the Good

In today's circumstances where face-to-face human contact is hardly feasible, the digital world has proven to be an effective and practical alternative with which we can continue to bring hope and the message of the imminent coming of Jesus Christ to people. For this reason, the creation of a new blog to present a Christian vision of life seemed to respond to current needs. The site "Garderquelebon.fr" is a personal initiative of a young Adventist family ready to put its time and digital knowledge at the service of the Lord. A great diversity of subjects are to be addressed, such as solitude, life's trials, personal development, health and other problems of daily life. Suggestions for music and videos will also be presented.

Here is a short description of the idea behind the garderquelebon (Keep only the Good) site:

"There is no shortage of advice and recommendations of all kinds. But in our experience, it is sometimes difficult to find the right advice at the right time. The life paths and problems encountered are so diverse that it would be pretentious to claim that everything you will find on this site will be relevant to you. Consequently, we invite you to keep only the good, only that which touches you personally, which brings you joy and sweetness of life, which allows you to improve your daily life. »

If you recognize yourself in this idea and if this form of mission speaks to you, do not hesitate to write your articles and prepare contents to contribute to the development of the website. You can contact us directly via the Facebook page (<https://www.facebook.com/Garder-que-le-bon-103195758281884>).

To encourage this initiative, simple gestures are at your disposal, such as subscribing to the Facebook page, sharing or appreciating articles.

News from Romania - Mărășești Church, Câmpina

Hands That Touch Hearts

In the autumn, the Women's Ministries team, ADRA and Dorcas Departments of the Mărășești Church and few persons from other churches around Câmpina made a plan to make gifts for women at Christmas. They started to knit wool socks, others made cards, and others made envelopes. They bought 72 sets of "A Gift for Your Family" which contains a Bible and a Bible study guide as well as 137 books on health, faith and

cooking. In total they prepared 209 gift bags.

From December 22 to 24, together with pastor Alexandru Ciurea, who was involved both financially and emotionally, the gifts were presented people in the community like nurses, doctors, people who work at the local police department, in administrative offices, pharmacies, and friends from the town who are not adventists. They received the gifts with joy and gratitude, impressed by the warm hearts and love of the people who had prepared the gifts. May God bless all who received gifts as well as those who were involved in the preparation.

SPIRITUAL JOURNAL FOR WOMEN IN THE CZECHOSLOVAKIAN UNION

DAUGHTERS OF THE KING

The Women's Ministries Department in the Czechoslovakian Union has designed and published a prayer journal for women – „Daughters of the King“. In the introduction we read: „The Journal is intended to be a help in your spiritual life, inspiring you to write down your reflections and prayers, thus providing you with a record of your journey with God. We often forget how God has led us and this little book will help you to remember your battles and victories, making it possible for you to recognize God's presence in your life.“

The journal includes help for Bible study, prayer, gratitude and reflexion.

Bible Study - Reading the Bible brings us God's inspired Word in its purest form. What does the Bible text say about God, about people, about your relationship with Him? What is new in the text? What is not clear to you and you want to study in depth? What questions did the text ask you?

Prayer – Cultivating a relationship depends on communication. That is why you need a regular time to present to God your thoughts, desires, wishes, uncertainties, fears and doubts. But also allow Him to give you His answers. Going back to your written prayers will show you how and when your Heavenly Father answered you.

Gratitude - Many scientific studies have confirmed what the Bible has taught us for centuries - the positive effects of gratitude on our lives. Find at least three reasons for gratitude every day!

Stop and reflect – It is good to stop and reflect from time to time and look back. Where has God led you? How has he answered your prayers? What new experiences with Him have enriched your spiritual life?
