Women's Ministries Emphasis Day (June 12, 2021)

Material available in several languages

As every year, the Women's Ministries Department of the General Conference provides material for women to organize church services and programs on Women's Ministries Emphasis Day, which is scheduled on the second Sabbath in June.

Please have a look at the material, which is available in many languages, and think about how you can use it for a sermon or a workshop in the afternoon or evening. Don't be afraid to use online platforms, such as Zoom, if face-to-face events are not yet possible.

Be brave and adapt the material to suit your situation!

Please contact your pastors who will be happy if you take the initiative in this way to make Women's Ministries better known and also to encourage women to become active in reaching their world for Christ.

The material is available on our homepage in several languages. Link:

Girls4Christ meeting in Neugablonz

SMALL GROUP CAN BE FUN

On April 17, 2021, seven girls came together for a Girls4Christ day in Neugablonz, Germany. As the group was so small, it was easy to adhere to the rules for social distancing. Unfortunately we were not able to eat or sing together, something that we really missed.

Claudia told us in her devotional about Esther, who saved the Jewish people from death through her deep, constant faith as well as her strength and courage.

Afterwards we sewed a purse or a leather basket with leather without needle and thread. The games in between were fun and we didn't want to stop. But unfortunately - due to Corona - we couldn't stay together for very long, so at the end we prayed a "popcorn prayer" together with the help of Bible verses and then we had to say goodbye again. The time was much too short and we hope that in the summer there will not be such a hard lockdown with tight Corona rules, so that we can spend the whole day chatting, playing, laughing and also singing.

New Online Bible Course for Women

OUR HEAVENLY FATHER

We are excited to introduce to you a new online Bible Study Course Heavenly Father.

God teaches us to understand His love for us with simple examples. He is the most loving Father: although our love is often far from perfect, God's love remains unchanged forever.

God compares His love to you to the love of a mother for her child. The Father assures you that His love is even stronger than the love of a mother for her baby.

In the course you will:

Find out that God loves you more than the most loving and caring mother.

Understand why you can be happy only when you have a close relationship with God.

Find out how God wants to return the lost paradise to people and what we need to do to do this.

Understand the essence of being a Christian today.

Learn to perceive the difficulties in your life as something positive.

Find out how God's love can change your life for the better and what we can do with God's love.

The new online Bible Course "Heavenly Father" <https://hope.study/courses/S-FRwixnd/> is especially designed for women. You will also find a link to the course on eudwomen.org/en/ under Heavenly Father.

The Facebook site <https://www.facebook.com/yourheavenlyfather/> posts encouraging daily messages from your Heavenly Father for women that you can subscribe to.

TEACH US TO PRAY

ITALIAN WOMEN MEET TO PRAY

On Friday evening March 19, 2021, we started the Sabbath in a very special way. Women's Ministries held a national meeting on Zoom to talk about prayer and to pray together. The idea came from the "Teach us to pray" seminar of the resources for the International Women's Day of Prayer 2021.

Almost all Adventist churches in Italy are open only on Saturday morning for worship, because of the restriction to contain the Covid-19 pandemic, so we decided to hold the seminar online. During the Zoom meeting we had some technical problems as often happens with live events, but generally everything went well. The four speakers explained how to improve our prayers. The program also included videos and songs. Before the end of the meeting, we passed from "theory" to practice. All the people connected via Zoom were able to pray in small groups in the breakout rooms that the platform makes available; those who followed the meeting live on hopedia.it, Facebook and You Tube, were invited to pray in their homes. It was a blessed experience to the glory of the Lord, confirmed by the many messages of appreciation we received.

Some statistics: 190 people followed the meeting on Zoom, 130 on the three channels HopeMedia, Facebook and You Tube; what amazed us is that the post reached over 2 thousand people. We are grateful to the Lord for this experience of prayer and sharing.
