New Image for Women's Ministries in Italy

DEPARTMENT'S NEW WEBSITE LAUNCHES

The Women's Ministries of the Italian Union have a new website. After several months of work and the invaluable help of Gianluca Scimenes, the web designer of HopeMedia Italia (formerly the Communications Department), the site is now ready and has been on the Internet since January 28, 2022. Today Information has to take into account the dynamism of communication, the change of media and the way of communicating. The new website was born from the need to speak a more modern language. Large images, clear content and attractive graphics make it fresh and attractive. As you navigate through its pages, you can find information about Women's Ministries, various materials, videos, news and more. The site will be updated regularly to offer an increasingly comprehensive service to the user. Take a journey with us! We are waiting for you on: ministerifemminili.avventista.it

International Women's Day of Prayer - March 5, 2022

RESOURCE PACKET 2022

The first Sabbath in March is the International Women's Day of Prayer on which women around the world are called to conduct church services in Adventist churches. If ever there was a time when we need to pray it is now.

We would like to encourage our women's groups in local churches to prepare a special church service on the topic of prayer and maybe even a seminar in the afternoon if possible.

You should talk to your pastor in time to be included in the church sermon plans. And we would also like to encourage our pastors not to forget the Women's Ministries Special Days and to actively seek out participation by women in the church programs. The 2022 International Women's Day of Prayer resource packet "Praying in the Last Days" was written by Cindy Tutsch, DMin. Her sermon focuses on the need for prayer in the last days before Joshua entered the Promised Land. How do we find peace and comfort in these uncertain times? We must connect to God in prayer. Even when we feel empty, lonely, afraid, hopeless, tell must tell Him how we feel. If this is how you feel, ask Him right now to fill you with strength, courage, joy, and peace of mind.

You can find the sermon packet in English, Italian and German in our cloud:

Translations in other languages are being prepared and will be posted as soon as possible. In addition to the sermon there is also a Seminar on Prayer "Why Prayer Matters" by Cindy Tutsch, DMin.

Star Beds for the Stillborn

CONSOLATION IN TIMES OF SORROW

The sewing group „Hearts from Hearts” in Luebeck, Germany, has once again produced beautiful coverings for still-born babies that are being sent to the Adventist Waldfriede Hospital in Berlin for their next memorial service for parents who have lost their babies. This makes it possible for parents to say good-bye to the baby in a dignified and consoling way. Thankyou to the ladies in Luebeck who have lovingly made such beautiful star beds.

Voice of Piano

ENCOURAGING WORDS WITH PIANO ACCOMPANIMENT

A new encouraging project has been launched on youtube by an Adventist musician. Ana Posenauer, a talented pianist, has begun posting a series of short quotes with beautiful piano accompaniment. The world is so full of problems that we all need to be reminded that we can overcome difficulties. One sample of such an encouraging quote is: "Always remember that your present situation is not your final destination. The best is yet to come" by Zig Ziglar. The Piano Word shows that music can speak to our hearts and lift us up. May God bless the project and all who are touched by its message!

The music is composed and performed by: Ana Posenauer Audio and Video Editing: Ana and Heiko Posenauer Recorded in Switzerland

News from Romania

THREE BOOKS FOR WOMEN

Three of the most precious books that encourage and bring joy to the souls of women in Romania are the Devotional for Women, the Women's Agenda and, last but not least, the Women's Bible. Year after year, they enter everyone's homes, bringing God's love closer. The experiences presented in the devotional fill readers' souls with good news from all over the world and how God responds to all at the right time.

The Women's Agenda inspires women's lives with daily messages, sprinkling their journey with stardust, being close to their souls every day, even in a time of "distance."

The Women's Bible is a unique study tool, containing over 300 articles that apply biblical realities to everyday life, motivational quotes from women of different eras, tables summarizing important concepts and information from the Bible, and over 100 biographical portraits of women from the Bible. Prepared by women for women, on topics important to them, this book helps every woman open her heart to learning and discovering the beauty of eternal truths. May through these blessed means of grace, many women be influenced and transformed by God's power to His glory!
